Size Chart

In order to choose the correct size garment, use this helpful chart to compare an existing t-shirt or hoodie your child fits into with these 3 crucial measurements. Because the bespoke garments are printed to order we want to eliminate any returns due to incorrect sizing.

Thank you!

	Chest			Sleeve			Length		
	Hood	Tech	Cotton	Hood	Tech	Cotton	Hood	Tech	Cotton

All measurements taken in centimetres with garment laid flat on surface. **Chest** is across front from armpit to armpit. **Sleeve** is from armpit to end of cuff. **Length** is taken from centre of garment from collar edge (t-shirt), hood/neck seam (hoodie), to bottom of hem. Measurements are approximate but a useful guide to compare to your own garment. All hoodies and Technical t-shirts are 'All We Do' (AWD), cotton t-shirts are Gildan.

Prices

Name sheets are listed alphabetically and divided onto 3 pages (see separate document). Simply choose the page your child's name appears on. The whole sheet gets printed, individual names are not available. P&P is free.
